

Mission Application

So you want to go on mission?
Here is how to get started:

1. Pray

You need to be led by the Holy Spirit throughout this process. While everyone is called to be on mission with Christ, not everyone is called to be on every mission trip. Through much prayer and seeking wise counsel, be certain that this is the trip to which you are called.

2. Get Your Passport

Everyone should have a passport, just in case the occasion requires it. Start that process now, even if you are unsure about the trip.

3. Get Information

Read all the online material about the trip, study the location, call or email ETC to get more information. Check the dates, costs and details.

4. Fill Out the Application Form

The application provides key information to your team leader and helps us put together the best team possible. Please complete your application and mail or email it to:

ETC Ministries

Email: steve@exposedtochrist.com

5. Send the Reference Form

You need to have your pastor, youth minister, or some other minister at your church submit a reference form on your behalf. Give them the form with an stamped and addressed envelope so that they can send it to ETC as quickly as possible.

6. Start Saving and Raising a Support Team

Some trips are costly, with transportation, room and board costs always escalating. Start setting aside money today. Check on deposit dates to ensure you will have the money in time. Start putting together a list of those who will pray for you and may give you funds to help you pay for your trip.

Completing the Application Process

- Include a copy of your insurance card as well as medical information and release.
- For out of country trips please provide two good copies of your passport photo page. This information is needed to purchase plane tickets and is held on file should you lose your passport while out of the country.
- Make sure your passport is current, with at least 6 months beyond the trip dates.
- Anyone under 18 must have a notarized permission form signed by a parent.
- Put a copy of your passport photo page inside each piece of luggage you carry outside the country.
